SELF-ESTEEM.

In writing upon this subject we will divide it into two parts, laudable, and contemptible. Laudable esteem is important and should be possessed by every one, but we will not discuss that part of our subject in this issue. Some people have a very high estimate of themselves—much higher than others have of them. This contemptible esteem seems to be born in some people. It crops out in childhood and if cultivated it shows itself in a contemptible way in early manhood. If the parties fail to cultivate this product in early life it gradually becomes weaker and weaker until it is lost in full grown manhood. If a man knows much about life and its affairs it will soon be known by his fellows without self-important exhibition of it. When we have learned all we can in life it is not much. Let others be as proud of our attainments as they wish to be, but we should not boast of our own ability. The proper way for all to do is to accomplish as much good as possible with as little blow about it as possible. Let not your left hand know what your right hand does. If our reward for good deeds done in the world were attainable while residing here, it would be well to publish to the world all the good we do. There are always persons to be found to impugn your motives. If you do not seek to make known to the world your outward life, your daily walk and conversation will introduce you. These self-important characters not only know themselves, but they are excellent mind-readers, letting them be the judges, and they know more about you than you do about yourself. In trying to exhibit what they think they know they render themselves ridiculous and obnoxious and show conclusively that they do not know much—this last part they do not see themselves. Wisdom is generally quiet in her ways. Properly educated people do not know everything. When you see a man familiar with every phase of life, and ready at all times to impart his wisdom to his less favored fellows, you need not employ him as teacher in your family or community. He knows too much and may overload the minds of your children to such a degree that they will never be able to accomplish any good. Man is a finite being and cannot grasp infinite things. But he can reach noble manhood. All can be taught lessons of importance from some of the most insignificant things in life. Don't seek the uppermost seat in the synagogue lest there be some more worthy than yourself, and then you will not have to come down. We do not expect every man to think or believe as we do, for if all were of our mind we would have to change or be out of a job, but every man can be true in his own sphere and not collide with those of other vocations.

Have you ever met one of these self-important characters when he was at his greatest? His demeanor is laughable, and yet you cannot help feeling a genuine contempt for him. Every community is infested with them to a greater or less degree and if they ever give vent to a good suggestion it goes unheeded because of its source.

TONIC TO THE SYSTEM.

For liver troubles and constipation there is nothing better than DeWitt's Little Early Risers, the famous, little pills. They do not weaken the stomach. Their action upon the system is mild, pleasant and harmless. Bob Moore, of LaFayette, Ind., says: "No use talking, DeWitt's Little Early Risers do their work. All other pills I have used gripe and made me sick in the stomach and never cured me. DeWitt's Little Early Risers proved the long sought relief. They are simply perfect." Sold by W. H. Justus.

One Minute Cough Cure
For Coughs, Colds and Croup.

The editor of the Marion News writes an editorial in which he gives the liquor conditions of that town. Any town that submits to such conditions as are set forth in that editorial, and we do not doubt the conditions at all as our personal knowledge of the editor is such that we know he does not misrepresent things, can get accustomed to anything except hanging. The longer such conditions exist the worse matters get to be.

Marion is admirably located. Nature has done her part well but the town is doomed to come to naught with the foundation that is being laid. Lives are being wrecked at home and the bad influence is spreading. The scent of the distilleries and hog pens is a stench in the nostrils of all decent people. Marion should at once shake off the obnoxious traffic and be classed among the better towns of the state.

FORCED TO STARVE.

B. F. Leek, of Concord, Ky., says: "For 20 years I suffered agonies, with a sore on my upper lip, so painful, sometimes, that I could not eat. After vainly trying everything else, I cured it with Bucklen's Arnica Salve." It's great for burns cuts and wounds. At the Justus drug store; only 25c.

A bill has been introduced in the House of Representatives providing the whipping post of wife beaters in the District of Columbia. It is likely to pass and men who cannot resist the inclination to beat their wives will have to go across the line to Virginia or Maryland before they may indulge in it.

\$100 REWARD \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for their testimonials. Sold by all druggists, 75c. Ad dress, F. J. Cheney & Co., Toledo, O. Take Hall's family pills for constipation.

Marie Corelli is much shocked that Carnegie should have given a library to Stratford on Avon, to rise "amid the cottages that Shakspere saw and loved so well." Marie was born in that neighborhood and people around there buy her books for curiosity's sake. Now she knows that they will borrow the single copy from the public library.

The government report has received another black eye. President Roosevelt advised its extermination. Now the "Up to date Farmer" very sensibly says that the Agricultural reports on the cotton situation have done more to upset the market than all existing conditions.

The Debt is Paid.

A glorious meeting was held at the Baptist parsonage last night at which a debt on the building was wiped out and all hearts made glad. A mortgage which had been the source of annoyance for some time was raised and committed to the flames by Alonzo Gilreath and William Garland, two of the youngest contributors.

Speeches were made by the pastor, Rev. A. R. Love, Rev. G. S. Jones, J. Williams and W. A. Smith. The occasion was one long to be remembered, and all now feel that a heavy burden has been thrown from the shoulders of those who have borne the great weight. But this was not all. There are times when the inner man requires attention and this seemed to be one of those times. The house was filled to overflowing, and while there was a bountiful spread it did not go the way of the mortgages. All were filled and the fragments gathered up as a remembrance of what had been. All were delighted in two ways. First on account of the cancellation of the debt on the church property, and second because of the refreshments served.

SPEEDY RELIEF.

A salve that heals without a scar is DeWitt's Witch Hazel Salve. No Remedy effects such speedy relief. It draws out inflammation, soothes, cools and heals all cuts, burns and bruises. A sure cure for piles and skin diseases. DeWitt's is the only genuine Witch Hazel Salve. Beware of counterfeits, they are dangerous. Sold by W. H. Justus.

NO MORE STOMACH TROUBLE.

All stomach trouble is removed by the use of Kodol dyspepsia cure. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, the rest restores the stomach to health. You don't have to diet yourself when taking Kodol Dyspepsia Cure. J. D. Erskine, of Allensville, Mich., says, "I suffered heartburn and stomach trouble for some time. My sister-in-law has had the same trouble and was not able to eat for six weeks. She lived entirely on warm water. After taking two bottles of Kodol dyspepsia Cure she was entirely cured. She now eats heartily and is in good health. I am glad to say Kodol gave me instant relief." Sold by W. H. Justus.

Mr. I. N. Poole, proprietor of one of the best barber shops in Muncie, Ind., has words of praise for Dr. Fenner's Kidney and Backache Cure. He writes Dr. Fenner:

"I have taken several bottles of your Kidney and Backache Cure, have used many other kinds of so-called kidney cures, but none are to be compared with Dr. M. M. Fenner's, as all others have failed and Dr. Fenner's has completed a cure.
